| Form 990, Part VI, Section B, line 15  | Information is gathered from state and national electric cooperative organizations to insure that levels of compensation are within statistical norms of the industry. For the General Manager's compensation, the Board of Trustees review the facts and figures and determine the rate of compensation. For the key staff, the general manager gives an overview of the salaries as they compare with state and national averages with the Board, though he makes the final determination.                                                                                                                                                                     |

| Form 990, Part IX, Line 4              | The instructions to the 2014 Form 990 indicate that organizations exempt under Section 501(c)(12) should report patronage dividends paid to their members in Part IX, Line 4 of the Form 990. Pioneer Electric Cooperative has interpreted the words "patronage dividends paid" in the instructions to mean margins that are assigned or assignable to the members. According to Pioneer Electric Cooperative's bylaws, the net margins of the cooperative are assigned and allocated to the members. Therefore, the amount listed in Part IX, Line 4 represents the entire net margins assignable to the members for the calendar year ended December 31, 2014. |
